

Biography

Sid E. Maietto

**Leadership Coach / Facilitator
Manager, The Boeing Company
Everett, WA**

Sid serves as a Manager of a Coach / Facilitator team for the Employee Involvement (EI) program at The Boeing Company Everett, WA.

Prior to his current position Sid served as Coach / Facilitator supporting EI teams. He served as Education Liaison for the Eastern and Southern Regions of The Boeing Enterprise. He was a Leadership & Team Coach for the 787 Program supporting Engineering Systems and Large Cargo Freighter teams. There he provided Coaching services, championing a positive environment while achieving team cohesion and a working together culture. Sid has also served as an Organizational Coach for the Boeing Twin Aisle Leadership Team coaching and facilitating leadership teams and individuals thru the "Leading from Where You Are Workshop" series.

Sid has logging approx. 14,000 hours in the education arena. Here he developed specialized programs to meet client needs on a broad range of subject matters.

He earned an undergraduate degree from Southern Connecticut State University, and a Masters in Business Administration from Seattle City University. He is a Certified Professional Coach (CPC) specializing in leadership, team, organizational, and life coaching. He also is a Licensed and Certified Facilitator for Steven Covey's "7 Habits of Highly Effective People" workshop and "Leadership: Great Leaders, Great Teams, Great Results" workshops.

Sid's accomplishments include developing and establishing an Instructional Skills Development Program for The Boeing Company, and the development of Commercial Airplane leaders and their teams to reach maximum potential thru Coaching. Outside Boeing he is a Professional Public Speaker in the national and local arenas. In this capacity he develops, delivers, and facilitates a variety of events throughout the year.

He specializes in creating custom made programs revolving around immediate customer needs. Past clients include, The University of Washington, Bryman College, Honeywell Corp., EATON Technical Institute as well as numerous internal clients in The Boeing Company.
